

## LED, FS technology QC Clip, 12 Volt, white

### description

### technical data

#### > general

|                        |         |
|------------------------|---------|
| illuminated            | Yes     |
| Luminous element color | white   |
| Luminous elements      | LED     |
| Packaging unit         | 10 pcs. |
| net weight             | 1 g     |
| RoHS compliant         | Yes     |
| REACH compliant        | Yes     |

|                                                 |        |
|-------------------------------------------------|--------|
| Rated operating voltage                         | 12 V   |
| Operating voltage of the luminous element, min. | 9.6 V  |
| Operating voltage of the luminous element, max. | 14.4 V |
