Titles and descriptions supersede the photo. We typically use the same image for different sizes of tools.

★★★★★ 1 Review(s)

Black canvas pouch for holding precision screwdrivers and small tools. The pouch has 7 small pockets that are 0.75 inches wide and 1 large pocket that is 2.25 inches wide. Create your own custom set by placing the tools you need inside this simple storage solution. The pouch stays closed with a velcro strap and screwdriver tips are protected by a small flap when not in use.
